A FIELD GUIDE TO THE FINAL TEST

ZORK III

Maximum-score walkthrough

A clean, deterministic route to all 7 points and the completed quest

VERIFIED FINISH

Treasury of Zork · 283 moves · 242 commands · no deaths

How to use this route

Begin with a fresh Release 17 game. Enter each numbered command in order; punctuation and quoted speech matter. Keep the torch, can, repellent, key, rope, bread, vial, and sword when directed. Wait only where instructed: the table, shadow figure, rope, and sailor events are turn-sensitive. Do not kill the hooded figure, miss the sailor’s vial, or leave the dial unset before moving the gold machine.

Score checkpoints

1. Scenic Vista
2. Room 8
3. Land of Shadow
4. Unmask the Dungeon Master
5. Staff at the Cliff
6. First time jump
7. Royal Puzzle; finish at the Treasury

Based on a fresh local replay of the included 242-command route. Story/manual/hints and replay trace remain local.
