PLANETFALL

No-death maximum-score walkthrough

A fresh-start command route to the cure, repaired systems, and Cryo-Anteroom ending

VERIFIED FINISH

80 / 80

457 commands | 7,007 moves | zero player deaths

401,875 executed instructions | 59 opcode rows

Rank: Galactic Overlord | Release 37 | Serial 851003

How to use this route

Fresh-start route for Planetfall Release 37. Enter each numbered command at the prompt. The route reaches the 80/80 Galactic Overlord rank and the Cryo-Anteroom ending with zero player deaths.

Keep the brown-liquid canteen, repair Course Control and Planetary Defense, and follow the timing instructions at the Bio Lock. Floyd's scripted sacrifice is a story event; the player survives.

Replay uses deterministic seed 3919. The ending screen confirms the cure, repaired planetary systems, antidote, Floyd's return, and the 80/80 score.

Score checkpoints

Repair the ship

By command 218, score 34; preserve the canteen and access cards.

Resida repairs

Course Control and Planetary Defense restored; score 54.

Micro work

Mini card recovered; speck and microbe cleared; score 71.

Best ending

Cryo-Anteroom, cure administered, Floyd returns; 80/80, zero player deaths.

Floyd's scripted sacrifice is part of the story; the player survives this route.

Replay seed 3919 | 69 route-discovered locations mapped | route and trace remain local
